

SHS Service Opportunities for Trojan Code 2011-2012

Are you creative?

Do you like to work with students?

Are you good at science?

Do you like a clean cafeteria?

Do you like to meet new people?

Learn how you can do something you enjoy and help out your school while doing it!

One of the requirements to earn the distinction of Trojan Code is to provide service to your school.

Opportunities, as they arise, will be posted throughout Simsbury High School on Trojan News and House Office bulletin boards as well as bulletin boards outside Faculty Rooms. There is a wide variety of postings and they can be completed before school, during a free period, or after school. If you have a study hall, the contact person or your house principal can give you a pass to the service opportunity location. Posted opportunities will list the following information in a "Help Wanted" fashion:

- Date Posted
- Faculty or Staff Name
- Department
- Location
- Time Needed (before or after school, specific class period, etc.)
- Job Description

We will continually update the opportunities throughout the year as needs arise. Be proactive and sign up with the faculty or staff listed!
