May 2021

Dear Parents/Guardians:

Thank you for your interest in the SEED Program! We are so excited to begin planning for the thirteenth year of our program. SEED is committed to providing quality after school care for Simsbury elementary children. Attached you will find the forms necessary to register your child(ren) for the 2021-2022 school year, as well as a listing of the fees.

Please note the following updates/ changes for the 2021-2022 school year:

1. SEED will be operating in a manner that protects the health and safety of our students and staff and in compliance with the Governor's and Commissioner's guidelines.
2. SEED will be closing each day at 5:30 pm to allow time for the additional cleaning and disinfecting that is necessary.
3. Depending on guidelines and safety measures with regard to COVID-19, SEED may or may not be able to run Vacation and Snow Day Programs for the 2021-2022 school year. If the Snow & Vacation Day program does run, please know it is a separate registration that will be available the first week of school.

Please be sure to fill out a separate form for **EACH** child. For those families registering from May to the start of school, a \$100 deposit per child (checks only; no cash) must be included with the form(s). This deposit will go towards the first month's tuition. **Your child's registration will not be processed until all forms are completed and received.** Please know you will receive a confirmation regarding your child's enrollment in the SEED Program. Additionally, an updated Parent/Guardian Handbook, including any policy and/or procedure changes will be sent to all registered families.

If you have any questions regarding registration, or need additional information about the SEED Program, please do not hesitate to contact me. I, along with the SEED staff, look forward to working with you and your family this year!

Sincerely,

Kelly Curtis
SEED Program Coordinator
