Please note this schedule is subject to change depending on availability of building space, weather, thematic programming etc.

Please see weekly calendar for more details of daily activities.

Breakfast - Breakfast will be provided by the SEED Program. Children may bring in their own breakfast however, due to children with allergies, we request that you refrain from peanut or treenut foods.

Activity Stations - Every day, different stations will be presented to the children. These stations may include, but not limited to, arts and crafts, science, math, building and imaginative play, table games, puzzles and literature.
