How does the program work?

Start by signing up for iPrevail on **myCigna.com**. After completing a short quiz, you will be matched with a personalized support program.

Each week you will cover a new concept, with new social and clinical activities. You can send messages to your coach and others, day or night, 24/7.

How frequently should I use iPrevail?

- For peak results, iPrevail recommends you complete one level per week
- Each level should take around 15 minutes

Is there science behind iPrevail?

iPrevail's digital therapeutic programs were developed by health care providers. Over the years, iPrevail has conducted many clinical trials. iPrevail is designed to decrease feelings of post-traumatic stress disorder, anxiety and depression.

iPrevail was originally created to help U.S. military servicewomen and servicemen overcome trauma experienced while serving our nation.

Why does this matter?

Your emotional health can impact your overall health and well-being. It can also affect your friends and loved ones.

With iPrevail, you can get help overcoming stress, anxiousness, loneliness and more. iPrevail provides tools and support to help you manage and control your thought patterns and emotions, with the goal of improved relationships and a happier and stronger you.
