OUR PROGRAMS:

Shepard Meadows Equestrian Center offers mounted and unmounted horsemanship programs that serve people with special needs, veterans, youth, and our local community. Our programs provide opportunities for physical, emotional, social, recreational and educational gains.

VOLUNTEER OPPORTUNITIES:

Our volunteers provide an invaluable service to Shepard Meadows. Whether you are able to devote one or ten hours per week, your time and energy will always be greatly appreciated. An application and a scheduled orientation begin the process. No horse experience is necessary. You can help in any of the following ways:

- Side Walker assisting riders during riding lessons
- Horse Leader during riding lessons
- Assist with horse handling during unmounted lessons
- Barn chores (feeding, mucking, and turnout)
- Assist with special skills and events
