

## Latimer Lane School Book Dedication Program

### Dedication Examples:

“Happy Birthday!”      “Congratulations!”      “in Memory of...”      “in Honor of...”

A book dedication can recognize a Graduation, Holiday, Teacher, Relative, or Accomplishment.

The Latimer Lane School Library Media Center has an exciting program to recognize special family occasions and build the library collection at the same time. Dedicating a book to the library is a great way to commemorate a special event in your child’s life. By making this gift, you will be giving a book to the library that will be a permanent part of the media center’s collection!

Your \$15.00 Donation includes the following:

- Your child will come to the media center, pick out a new book and become the first to check it out of the library. The Library Media Specialist has a selection of brand new hardcover books reserved for this purpose.
- A book plate will be affixed inside the book, acknowledging your donation.
- A picture of your child holding the book will be displayed in three ways:
  - Inserted into a special scrapbook
  - Hung in the hallway outside of the media center
  - Sent home to be shared

When the book is returned, it becomes part of the Latimer Lane School library collection.
