Dear Friends of CfR,

Thanks to you, Hannah feels empowered and knows that her breast cancer diagnosis does not define her.

"Since being diagnosed, I've doubted my abilities and I question everything. It was wonderful to get on the water and make something happen. Those moments, even small ones, help remind me that I am capable." - Hannah

Every day we hear from women whose lives have been positively impacted by their experience at Casting for Recovery. Thank you for making it possible!

This year, more than 800 women will have the opportunity to experience powerful moments and newfound strength like Hannah did. Be sure to join our newsletter and follow us on social media to see more examples of your donation at work.

With gratitude,
