

Tariffville School Book Dedication Program

The Tariffville School Library Media Center has an exciting program to recognize special family occasions and build the library collection at the same time. Dedicating a book to the library is a great way to commemorate a special event such as a birthday or holiday, honor a favorite teacher, or recognize a special person in your child's life. If your child's birthday falls in the summer, we can recognize their birthday on their half birthday. This program will help us to purchase new and replacement titles to support all levels of readers. When you purchase a book through this program, a special dedication book plate is placed inside the book and your child is the first to check the new book out of the library!

Here's how it works:

- The library has a selection of brand new fiction and non-fiction books reserved for dedications.
- You purchase a book by filling out the Book Dedication Form below and sending it in with a donation of \$15.00. Please send checks made payable to the Tariffville PTO.
- Your child comes to the media center and selects a special book.
- Your child's picture is taken holding the book and the picture goes into a special scrapbook.
- We affix a book plate inside the book acknowledging your donation.
- Your child is the first one to check the book out of the library.
- When the book is returned, it becomes part of the Tariffville School Library collection.

If you would like to participate, please fill out the bottom section of this page, and return it to the library along with your check. Thank you for supporting the Library Media Center!
